Making our Community a Better Place Extended TAXI Service Hours

The Fun Bus has been an important part of the Lancaster/Fairfield County community since it moved from Junction City in 2011. Securing reliable, local transportation can be challenging in a small rural community, and Lancaster is no exception. Public transportation is affordable, but it is often limited and not often convenient. The Fun Bus began offering on-demand taxi service in 2011 as a complimentary service to the Lancaster Public Transit. Fun Bus transportation is admittedly more expensive than public transportation. However, the additional fee includes more flexibility and a personalized transportation experience for those who can afford it. Many passengers are thrilled to pay a little extra for private transportation on their schedule. No waiting and no ride sharing.

In addition to generalized taxi transportation, the Fun Bus has the ability to provide service to passengers with special needs. (3) wheelchair ramp vehicles are available to the community. Passengers who are mobility challenged can receive the same services for the same price. Many small communities do not have this type of service available to the public. Airport shuttles, restaurants, medical appointments, shopping, church, hair and nail appointments and social events top the list of popular destinations. Daily and weekly regular customers use the Fun Bus to get to/from work.

Did you know that you may be eligible for FREE Fun Bus Rides? If you currently hold a Humana Dual Special Needs Healthy Benefits Card...you may be eligible for a limited number of FREE transports. Humana is now offering transportation assistance for qualified participants. (refer to plan for details) <https://www.humana.com>

NEW expanded service hours. The Fun Bus is now offering TAXI service on Saturdays from 6am-6pm. Call 740.653.TAXI to reserve your space for Saturday transportation. On demand Saturday services will be available soon. We are proud to be a small part of solving the transportation gaps in our rural community. Our passengers are our neighbors, family and friends.
